HDIR-1

First Meeting with International Participation

"From Bench to Clinic"

Zagreb, Croatia • November 11, 2010
Ruđer Bošković Institute, Bijenička 54

With the great pleasure we announce the First Meeting of the Croatian Association for Cancer Research, HDIR (Hrvatsko društvo za istraživanje raka), a member of the European Association for Cancer Research (EACR).

HDIR-1 Meeting is intended to address the topics "From Bench to Clinic", and we cordially invite you to contribute to the program.

The Meeting will be held at the Ruđer Bošković Institute, and will encompass lectures and posters from various fields of cancer research.

The goal of the HDIR-1 Meeting is to promote cancer research in Croatia focused on relevance of basic research to clinical practice and improve the communication between basic and clinical science in cancer research. The Meeting is the opportunity to the members of Croatian Association for Cancer Research to gather together and to establish a good connection with the EACR. Our special guest is EACR president Anne-Lise Børresen-Dale.

Sincerely,

Sonja Levanat, PhD
HDIR president
