

# Use this sign to pose for a picture or selfie!

To celebrate our 50<sup>th</sup> anniversary, EACR members are sharing why they're proud to be part of the cancer research community.

1. **Print and cut out your sign.**

2. **Decide where to take your photo.** In the lab? At a conference?

3. **Who will be in the picture?** Your amazing lab team? Or maybe just you and your favourite cell lines?

4. **Hold up your sign, smile and snap that photo!**

5. **Share it with us** on social media using #ProudCancerResearcher or email it to us at [hello@eacr.org](mailto:hello@eacr.org)
